

Workpower's Property Services

Workpower provides Perth property managers and building owners with a one-stop building and property care service.

Workpower's team of qualified tradespeople have decades of experience working on residential and commercial properties for real estate agents, state and not-for-profit housing providers, large-scale commercial property managers, and government facilities.

Our services include:

- Plumbing installation, maintenance and repairs
- Electrical installation, maintenance and repairs
- Carpentry
- Painting
- Office refurbishments
- Glazing installation and repairs
- Flooring and decking installation, maintenance and repairs
- Roof and guttering maintenance and repairs
- Concreting and paving
- Carpark and pathway repairs
- Fire equipment servicing
- Portable appliance testing and tagging
- Grounds and garden maintenance

All of our qualified tradespeople are licenced.
